WE WANT YOU!

Mentors: People over 50 years old who are interested in offering voluntary professional mentoring to younger people.

Mentees: Younger people aged 18-30 who are interested in receiving advice and guidance for their professional development.

Mentoring hubs: Organisations that would like to train future mentors and match them with mentees.

THE PROJECT

The MAB project aims to develop mentoring hubs in Eastern and Southern European countries, which will organize and train established professional adults aged 50+ as mentors. These volunteers will help younger people aged 18-30, including those at risk of marginalization, to develop their professional skills and enter the labour markets within the European Union and beyond.
